A BUSINESS COACHING PROGRAM FOR
FRENCH TEACHERS

PROGRAM OVERVIEW

Build a side income on TpT without having to create hundreds of resources to get there. You will learn what resources to create and how to market them so that more teachers can buy and use your resources!

Whether you are an experienced seller or creating your store for the first time, this small group experience will be personalized to your needs so that you can hit your goals this summer.

EVERYTHING YOU ACCESS WHEN YOU REGISTER

1. **The 'From Educator to Entrepreneur' Mindset:** Discover the beliefs and perspectives you need to build a successful teacher business.
2. **The Problem Solver Resource System:** Learn your audience and their needs so that you can better help teachers and make the most of your TpT time.
3. **The Profitable Resource Creation Process:** Create Memorable High Value resources that will earn you more money and increase your lifetime customer value (and bring in repeat customers!).
4. **The 5 Star Publishing Process:** Discover how to Price, Package, Publish and Sell your resources so that teachers know what they are and want to buy!
5. **The Connection Based Marketing Blueprint:** Learn the marketing strategies needed for our niche so that teachers can discover you and so you can build an audience of loyal customers.
6. **Back to School with a BANG:** Create your Back to School publishing and marketing plan to make the most of our top earning time as TpT sellers!

BONUSES

You'll also get the following bonus calls, systems and pre-recorded modules *included* in your registration fee!

Bonus #1: The Goal Tracker System: Achieve More This Week than ever before (Valued at \$97)

Individualized weekly check-ins to make sure you accomplish your weekly goals and to support you if you get stuck.

Bonus #2: New Seller Kick Starter Workshop (Valued at \$197)

Whether you're afraid of breaking copyright laws or you're overwhelmed at the thought of actually sharing your stuff, this bonus workshop will help you get your store set up successfully and without wasting time on things that don't matter.

Bonus #3: The Accelerated Resource Creation Blueprint (Valued at \$247)

Discover tested time saving strategies, tools and templates to create resources faster, even if you're a parent or you teach full time.

BRAND NEW BONUS #4: Instagram Engagement, Made Easy Workshop (Valued at \$197)

Learn my 3 step system to get more engagement on IG stories, posts and reels so that you can post with confidence and stop wasting time on social media.

How it Works:

1. **Weekly Group Coaching** throughout the summer to not only teach you the strategies, but help you implement them too. Each call includes personalized support and a small community of other French Immersion teachers to cheer you on and help you hit your goals!
2. **Forward Momentum:** If you're struggling with something specific in your store or with your resources, or you just feel stuck and you're not sure what to do next, post in the facebook group and get your questions answered!
